

PLAN·A

A RUCKUSDEV STUDIO

April 25 2023

To Whom it May Concern,

This letter is to recommend Juan Pablo Hernandez Mosti as a developer.

Juan Pablo Hernández Mosti joined RuckusDev as a C++ Unreal Engine developer contractor in October 2022. Among the tasks he has held are System, mechanics creation and re factorization in blueprints and C++; Creation of in game UI tools connected to databases; Debugging other developer's code; Develop an network online experience;

He's very experienced with Unreal Engine development and enjoys learning new languages and tools. He is also dependable, collaborative, a pleasure to work with and I have enjoyed my time working with him.

For any further information, please feel free to contact me.

Best Regards,
Gil
